***Instructions:*** *Type in amounts in each blank field and the form will automatically calculate your out of pocket expenses, if any. You must have your 2013-14 financial aid award available to complete the Financial Aid Section.*

**Please do not use decimal points or commas when completing this form.**

# Returning Main Campus Students Cost Calculator Worksheet 2013 – 2014

***(The amounts listed below are approximate and may be subject to change. Please note that books and supplies are not listed as charges since they are not billed directly by Walsh University. If only attending one term, please divide amounts in half.)***

## Basic Charges:

Full-time Tuition (12-18 credits per term): $ 24610

Fees (based on 30 credits per academic year): $ 1230

Room:

**If commuting, enter 0**
**Alexis/Menard = 4900**
**Lemmon = 5950**
**Grove Apartments = 8470**
**Towers/Double = 7210 Towers/Single = 7770**
**Towers Suite/Double = 6720 Towers Suite/Single = 7280**
**Towers Center Suite = 6940 Private Room Surcharge = 2400** **$** _____

Meal Plan:
**If commuting, enter 0. Full = 4360^ Limited = 2800** $ _____
(^Alexis, Menard and Towers are required to have Full Meal Plan)

Parking: $ 100

Commuter Health Fee: (**Enter 0 if in residence hall, enter 20 if commuter**) $ _____

Total Charges: $ _____ **A**

## Financial Aid*: (You must have your Financial Aid Award for these figures)

Scholarship and Grants total: $ _____

Direct Stafford Loan**: $ _____

Perkins Loan (if awarded): $ _____

Total Financial Aid: $ _____ **B**

**(* Work study funds are not factored in because they are not payable until earned.)**
**(**Direct Stafford Loan fees of 1% will be deducted prior to disbursement. For example, the net amount for a 5500 loan would be 5445, the net amount for a 6500 loan would be 6435 and the net amount of a 7500 loan would be 7425)**

**Out of Pocket Expenses:** Subtract **B** from **A**: $ _____ **C**
