COVID-19 Community Response Reminders

COVID-19 Condition and Case Dashboard

Walsh University will relay self-reported positive cases of COVID-19 among the campus population. Check for daily updates by **CLICKING HERE**.

Get Vaccinated

Getting fully vaccinated remains the best defense against COVID-19. We are strongly encouraging but not requiring the vaccination. We encourage members of CAV Nation to seek guidance from your healthcare provider and, if you are able, consider getting vaccinated to ensure a safe, active, and in-person campus environment.

Voluntary Vaccination Form

We are continuing to ask members of CAV Nation who have been fully vaccinated to let us know via this short and voluntary online form: **Voluntary Vaccination Form**.
