

Requirements and Contacts

Bioinformatics is currently offered as an elective to biology or computer science majors and minors. Interested freshmen must be top-tier students with a strong aptitude and serious interest in science and math.

Bioinformatics Faculty:

Dr. Thomas Freeland,
Director of Bioinformatics
330.490.7228
tfreeland@walsh.edu

Dr. Michael Dunphy
Professor of Biochemistry
330.490.7201
mdunphy@walsh.edu

Jim Jerkofsky
Professor of Computer Science
330.490.7207
jjerkofsky@walsh.edu

Dr. Kai Brunkalla
Professor of Mathematics
330.490.7240
kbrunkalla@walsh.edu

Dr. Jennifer Clevinger
Professor of Biology
330.490.7331
jclevinger@walsh.edu

Dr. Mary Rohrdanz
Professor of Chemistry
330.244.4664
mrohrdanz@walsh.edu

Support Staff:

Don Boron
Director of Information Services
330.490.7241
dboron@walsh.edu

Matt Hudas
Bioinformatics Technical Support
330.244.4656
mhudas@walsh.edu

Carol Hunter
Secretary, Division of Math & Sciences
330.244.4652
chunter@walsh.edu
