### **Prayer of the week**

Father, Creator of all, thank You for summer!  
Thank you for the warmth of the sun and the increased daylight.  
Thank You for the beauty I see all around me and for the opportunity to be outside and enjoy Your creation.  
Thank You for the increased time I have to be with my friends and family, and for the more casual pace of the summer season.

Draw me closer to You this summer.  
Teach me how I can pray no matter where I am or what I am doing.  
Warm my soul with the awareness of Your presence and light my path with Your Word and Counsel.  
As I enjoy Your creation, create in me a pure heart and a hunger and a thirst for You.

### **WAYS THE BIBLE WOULD BE DIFFERENT IF WRITTEN BY COLLEGE STUDENTS**

- \* The Last Supper would have been eaten the next morning - cold.
- \* The Ten Commandments are actually only five, double-spaced, and written in a large font.
- \* New edition every two years in order to limit reselling.
- \* Forbidden fruit would have been eaten because it wasn't cafeteria food.
- \* Paul's letter to the Romans becomes Paul's e-mail to abuse@romans.gov.
- \* Reason Cain killed Abel: They were roommates.
- \* The place where the end of the world occurs: Finals, not Armageddon.
- \* Out go the mules, in come the mountain bikes.
- \* Reason why Moses and followers walked in desert for 40 years: They didn't want to ask directions and look like Freshmen.
- \* Instead of God creating the world in six days and resting on the seventh, he would have put it off until the night before it was due and then pulled an all-nighter

### **Quote of the week**

If any of you lacks wisdom, let him ask God, who gives to all men generously and without reproaching, and it will be given him.
