

Instructions: Type in amounts in each blank field and the form will automatically calculate your out of pocket expenses, if any. You must have your 2014-15 financial aid award available to complete the Financial Aid Section.

Please do not use decimal points or commas when completing this form.

Returning Main Campus Students Cost Calculator Worksheet 2014 – 2015

(The amounts listed below are approximate and may be subject to change. Please note that books and supplies are not listed as charges since they are not billed directly by Walsh University. If only attending one term, please divide amounts in half.)

Basic Charges:

Full-time Tuition (12-18 credits per term): \$ 25350

Fees (based on 30 credits per academic year): \$ 1320

Room:

If commuting, enter \$0

Alexis/Menard = \$5070

Lemmon = \$6090

Grove Apartments = \$8610

Towers/Double = \$7350 Towers/Single = \$7990

Towers Suite/Double = \$6860 Towers Suite/Single = \$7420

Towers Center Suite = \$7080 Private Room Surcharge = \$2600 \$

Meal Plan:

If commuting, enter \$0. Full = \$4510^ Limited = \$2890 \$

(^Alexis, Menard and Towers are required to have Full Meal Plan)

Parking: \$ 100

Commuter Health Fee: (Enter \$0 if in residence hall, enter \$20 if commuter) \$

Total Charges: \$ **A**

Financial Aid*: (You must have your Financial Aid Award for these figures)

Scholarship and Grants total: \$

Direct Stafford Loan**: \$

Perkins Loan (if awarded): \$

Total Financial Aid: \$ **B**

(* Work study funds are not factored in because they are not payable until earned.)

(**Direct Stafford Loan fees of 1% will be deducted prior to disbursement. For example, the net amount for a \$5500 loan would be \$5442, the net amount for a \$6500 loan would be \$6431 and the net amount of a \$7500 loan would be \$7421)

Out of Pocket Expenses: Subtract **B** from **A**: \$ **C**
