

Benefits of Living at Walsh University

Students who live on campus:

Perform better academically

More easily access campus resources

Foster stronger relationships and personal networks

Develop a sense of community

Participate more and are generally more satisfied

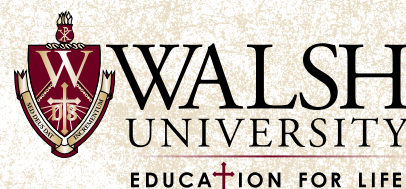

More likely to graduate on time

Facts to Know!

- 📌 Walsh University requires that all full-time, undergraduate students live on campus for sixteen (16) academic terms, unless permission to live off campus has been granted by the Housing Review Board.
- 📌 The Walsh University housing contract renews annually and is binding for the entire academic year including fall and spring academic terms.
- 📌 Students who are not approved for release from the university housing contract and forego campus residency will be considered delinquent in the contract terms resulting in a \$2000 penalty charged to the student's account.
