

Instructions: Type amounts in each blank field and the form will automatically calculate your out of pocket expenses, if any. You must have your 2020-2021 financial aid award available to complete the Financial Aid Section.

Please do not use decimal points or commas when completing this form.

Returning Main Campus Students Cost Calculator Worksheet 2020 – 2021

(The amounts listed below are approximate and may be subject to change. Please note that books and supplies are not listed as charges since they are not billed directly by Walsh University. If only attending one term, please divide amounts in half.)

Basic Charges:

Full-time Tuition (12-18 credits per term): \$
 Fees (based on 31 credits per academic year): \$
 Technology Fee (\$50 per semester, all students) \$

Room:

If commuting, enter \$0 \$
 Seanor/Menard = \$5740
 Lemmon = \$6700
 Grove Apartments = \$9300
 Towers/Double = \$8000 Towers/Single = \$8580
 Towers Suite/Double = \$7500 Towers Suite/Single = \$8060
 Towers Center Suite = \$7720 Private Room Surcharge = \$3200

Meal Plan:

If commuting, enter \$0. Full = \$5400^ Limited = \$3440 \$
 (^Seanor, Menard and Towers are required to have Full Meal Plan)

Parking: \$

Commuter Health Fee: (Enter \$0 if in residence hall, enter \$20 if commuter) \$

Total Charges: \$ **A**

Financial Aid*: (You must have your Financial Aid Award for these figures)

Scholarship and Grants total: \$

Direct Stafford Loan (Subsidized and/or Unsubsidized) **: \$

Total Financial Aid: \$ **B**

(* Work study funds are not factored in because they are not payable until earned.)

(**Direct Stafford Loan fees of 1.059% will be deducted prior to disbursement. For example, the net amount for a \$5500 loan would be \$5442, the net amount for a \$6500 loan would be \$6431 and the net amount of a \$7500 loan would be \$7421.)

Out of Pocket Expenses: Subtract **B** from **A**: \$ **C**
