

NON-RESIDENT CAMPERS

- Registration for the Walsh Music Camp will take place on Sunday, June 28, 2020 in Birk Center for the Arts. All campers are to register between 1:00 and 2:30 p.m.; however, because non-resident campers do not need to set up dormitory rooms, we suggest that non-resident campers register after 2:00 p.m.
- All campers must attend a meeting at 3:00 p.m. in Alumni Arena. Parents are not required to attend this meeting, but they are welcome and encouraged to do so.
- The first rehearsal for each ensemble will be held Sunday evening. The specific times and locations for rehearsals will be determined by the ensemble to which campers are assigned after the auditions. All non-resident campers should be picked up at 9:00 p.m. on Sunday evening at Birk Center for the Arts. Schedules for the remainder of the week will be distributed to each camper at the Sunday evening rehearsal. It is suggested that parents meet their non-resident campers in the lobby of Birk Center for the Arts at the appropriate time each evening.
- Non-resident campers are required to attend the evening rehearsal each night (ending time is 7:45 p.m. Monday through Wednesday evenings). They are also encouraged (but not required) to stay for the social activities each evening, which end at about 9:30 p.m. We will provide a place in the camp office for non-resident campers to keep instruments, sack lunches/dinners, or other items they bring with them each day. A parent/guardian will need to sign his/her camper in and out each morning and evening in the camp office. This is a simple procedure that will be explained when you register on Sunday afternoon.
- Lunch and dinner is provided for non-resident campers in the registration fee (i.e. 4 lunches and 4 dinners, Sunday evening – Thursday afternoon). Please note that breakfast is not provided.
- It is the mission of the Walsh Music Camp to provide participants with the opportunity to continue their musical learning, to interact with other student musicians, to have new learning experiences with different teachers, and to enjoy social and recreational time together.
