Dear Dr. Kurz:

I am writing regarding the accreditation status of your program's CACREP-accredited Clinical Mental Health Counseling and School Counseling specialty areas.

Because the counseling specialty areas remain in the review process for reaffirmation of accreditation, the CACREP Board has approved an additional no-penalty extension of accredited status of up to 12 months. The new accreditation expiration date is March 31, 2025. The end date for the next accreditation cycle, if granted, would be determined based on the date of the CACREP Board of Directors' meeting at which accreditation decisions for your program are made.

For questions about the overall accreditation review process, please contact CACREP staff member Rhesa Riley (rriley@cacrep.org; 703 535 5990). If you have questions about site visit logistics, please contact CACREP's Site Visit Coordinator, Shantae Watkins (swatkins@cacrep.org; 703 535 5990).

Sincerely,

Robert Urofsky, Ph.D.
Vice President of Accreditation and Training
