Subject: Get Ready for Spring 2027 Registration—Opens November 9

Dear Students,

The Spring 2027 course schedule is now available in the CAV Center! Registration begins November 9, so now is the time to **prepare**.

Before your registration appointment, please complete these steps:

1. **Check your progress in Stellic**. Review your degree requirements and identify courses you still need to complete.
2. **Meet with your academic advisor.** Discuss your progress and planned Spring 2027 schedule.
3. **Review available courses in the CAV Center**. Check course descriptions and prerequisites as you plan your schedule.
4. Confirm your **registration time ticket**. Check your Student Profile in the CAV Center for the date and time you are eligible to register.
5. Resolve any **registration holds.**
    - For financial holds, contact the Student Service Center at studentservicecenter@walsh.edu.
    - For transcript holds, contact the Office of the Registrar at registrar@walsh.edu.
6. The **Office of the Registrar webpage** offers several useful guides under Student Resources. Reviewing these materials before registration starts can help you become familiar with the necessary procedures.

Taking these steps now will help you be ready when your registration appointment begins. If you have questions, please reach out before registration opens so we can help you address any concerns.
