Room Book Notice

If you need to reserve a classroom or make a change to a scheduled classroom we kindly ask that you submit your request as early as possible. Our scheduling process is handled manually, and we have a limited number of classrooms with restricted availability throughout the day. We will always do our best to accommodate your needs, and early notification will greatly improve the chances of securing your preferred space.

The Office of the Registrar is hosting an event for students ahead of registration to help with any questions they may have regarding searching for classes, creating a plan, registering from a plan, and resolving any holds on their accounts.
