

WALSH UNIVERSITY

Grant and Scholarship Program *for* Undergraduate and Graduate Education Majors!

Through the Christ the Servant Teaching Corps

If you are interested in an in-depth and rewarding on-site embedded residency that will prepare you for teaching or serving as an administrator in a faith based environment, this program may be just for you!

Students will teach from 20 hours per week to full time depending on their particular situation.

“Through the Christ the Servant Teaching Corp., I spend 20 hours a week at Our Lady of Peace elementary school teaching and working with children. It has helped me pay for college and helped me develop my teaching skills. The most fulfilling part is seeing the expression on a child’s face when they learn something new. And to know I had a hand in that is so rewarding!”
