Ohio Educator Standards

Standard 1

Teachers understand student learning and development, and respect diversity of the students they teach.

Standard 2

Teachers know and understand the content area for which they have instructional responsibility.

Standard 3

Teachers understand and use varied assessments to inform instruction, evaluate, and ensure student learning.

Standard 4

Teachers plan and deliver effective instruction that advances the learning of each individual student.

Standard 5

Teachers create learning environments that promote high levels of learning and achievement for all students.

Standard 6

Teachers collaborate and communicate with students, parents, other educators, administrators, and the community to support student learning.

Standard 7

Teachers assume the responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
