Important Information:
1. Is designed for off-campus employment but can be done on-campus.
2. Granted by USCIS in increments of one year at a time or until the program end-date, whichever is shorter.
3. Authorization ends when a student transfers his or her SEVIS record to another institution.
4. Whether a student is working on or off-campus, students are not allowed to work more than 20 hours per week while classes are in session. (During summer and winter break periods, students may work full-time).
5. Can be in any job - does not have to be related to course of study.
6. Must apply for an Employment Authorization Document (EAD) from USCIS with the assistance of the Designated School Official (DSO) at Walsh University.
7. Student cannot begin employment until he or she receives the EAD from USCIS.

A student is eligible for severe economic hardship if:
1. Have been in F-1 status for one full academic year and currently in good standing as a student.
2. Must prove that employment is necessary due to severe economic hardship caused by circumstances unforeseen, unexpected, and beyond his or her control that arose after obtaining F-1 status. (Retirement of your sponsor is not a valid reason to apply).

Procedures to Apply:
Complete the forms in the Severe Economic Hardship packet in full and then make an appointment to see the Director of International Student Services. Bring completed forms and the items listed below with you to your appointment:
1. Completed I-765, follow instructions on completing form
2. Current Form I-20
3. Two(2)-full frontal view photos against a white background
4. I-94 card or electronic copy
5. Valid passport
6. Application fee: $340.00 (subject to change without notice); check or money order payable to “U.S. Department of Homeland Security”. U.S. Citizenship and Immigration Services (USCIS) recognizing that some applicants cannot pay the filing fees, USCIS established a fee waiver process for certain forms and benefit types. Demonstrated inability to pay is the only reason USCIS will approve a fee waiver. Fee waiver instructions
7. Letter in English from your sponsor explaining why promised funds are no longer available (if applicable)
8. Letter from student describing the unforeseen hardship situation and, if possible, should attach supporting documentation; for example, a copy of the sponsor’s death certificate or proof of a currency devaluation in the student’s country. This letter should also mention why other employment opportunities are unavailable or insufficient.
9. A completed budget form (included in this packet) comparing income (sponsorship money, on-campus job) versus expenditures (tuition, fees, rent, etc.)
10. Bring all past EAD/work permit cards (if applicable).

General Instructions:
ISS will mail the application to USCIS. ISS will mail your forms using the return address of the University to facilitate the return of the EAD card to you. Always leave your current address and phone number on file at ISS. Any mailing other than regular mail (i.e. registered, certified, etc.) must be paid in advance by the student.

The USCIS estimates a minimum of 100 days for processing and may take longer. ISS will contact you when your receipt or EAD card is received.
Instructions for filling out FORM I-765 Application for Employment Authorization:

You must complete all items (1-16), read, sign and date the certification section.
